PRINCIPAL

Mr. Jack Mount
Principal

To be part of tradition is a privilege. Looking at the past through the pages of the El Camino Reals of old, I discovered that to be a student or a staff member at San Gabriel High School is to be proud. From the Fifties to the present one can see our great heritage flash by at every flip of the page. However, to be part of the future is a challenge. Looking ahead, what are we doing or what can we do to stand alongside the many students and staff who have already contributed to this great tradition?

Will you or another pick up this El Camino Real some day and feel as I?

GARY RICHTER

TONY SAUCEDO

Girls' and Boys' States are practical civic programs presented by the American Legion and its Auxiliary on the California State University of Sacramento campus. A blurry, sepia-toned photograph of a street scene. In the foreground, there are dark, out-of-focus shapes that appear to be trees or bushes. A light-colored, possibly paved, path or road runs diagonally from the bottom left towards the center. In the background, there are more trees and a building with a visible roofline. The overall image is very soft and lacks sharp detail.

I never really understood the real meaning of A.F.S. until I actually became a part of it. I feel the most important factor which I obtained from my two and a half months in Italy was how beautiful this world really is. Saying my experience was fantastic would be a definite understatement.

A.F.S. made it possible for me to experience something that so few people ever get the chance to experience.

When I look back thinking of all the friends I've made and places I have seen, I have only A.F.S., my parents, and sixty-four rowdy Americans to thank.

*Respectively,
Don Romano*

Thank you for helping hands, warm smiles, and sharing your time with me. Each of you will always have a special place in my heart

Two long established varsity records fell this season. Don Romano, Danny Banks, George Young and Jon Anderson pulled tenth off the Medley Relay Record. Banks also set a new 100 breaststroke time of 1:05.2. The Varsity pushed its way to high achievement this season, led by the above, along with seniors John Doerr and Gary Hess. The Fresh Soph captured its second straight League Championship, led by Kevan Kurt, David Mulkey, Kevin Kilmer and a host of others.
